Wayzata Masonic Lodge Scholarship Program
School Scholarship Application

There are no restrictions as to race, creed, national origin, or relationship to any member of the Masonic Fraternity.

By sponsoring and funding these scholarships, the Masons of Minnesota affirm their faith in education and their devotion to schools and teaching all of the children of all of the people. It is our hope that through these grants, outstanding students may be helped to achieve their potential for success in their chosen career through technical education, the liberal arts or through protracted programs of professional education and preparation.

The current student in the graduating class in any Minnesota high school may apply by submitting the enclosed application to the Wayzata Masonic Lodge Scholarship Committee. The **deadline for submission is March 31, 2024.**

Each applicant is required to submit a short statement, 200 words or less, on their future plans and goals (including the school they plan to attend in the fall). Failure to submit this statement will result in disqualification.

This statement, written by the candidate, should indicate their goals, aspirations, and choice of career. This is not an "essay contest," but will hopefully give the applicant the opportunity to tell who he or she is and what he or she hopes to be as they journey through their adult life.

At the option of the applicant, this statement may include an explanation of the need for a scholarship as seen by the applicant. Please keep in mind that these scholarships are not need based. The applicant's name and address and the names and addresses of the high school should appear at the top of this statement of purpose.

The awards will be communicated in May and the recipients will be invited to an awards night at the lodge on **June 5, 2024.**
