**Greetings from the East**

The Grand Master of Minnesota is Coming to Wayzata!

MWB Thomas McCarthy will be our guest at our June 3rd Stated meeting. This is a very special event for our lodge. We will also be giving out 50 year pins and welcoming four new Master Masons who will have completed their degree work.

Let’s make this a special night. Invite fellow brothers to come to lodge that night. If you know of a brother who needs transportation, let us know. This is a night to fill the house!

Remember Your Blue Lodge

Wayzata is having a great 2009. We have completed two Fellow Craft Degrees, one Entered Apprentice Degree, and on May 16th, will be raising our four Fellow Crafts to the Sublime Degree of a Master Mason. We had good representation at Grand Lodge in St. Cloud in March and put on our annual French toast breakfast along with the Geranium sales. We will have degrees in the fall as well as the summer golf tournament and the late summer Boat trip. There are plans for other activities. So now, you ask, “what do I want from you?”

It’s not about the dues. Those are appreciated. But it’s the involvement that makes a lodge grow. That involvement includes:

- coming to meetings
- mentoring
- helping with cooking and cleaning of the lodge
- participating in degree work
- volunteering to help at an event like the French Toast Breakfast
- being on the committee for events

It is important to have involvement in all activities across all generations. We as a lodge are as strong as that involvement.

**Master Mason Degree**

We are still looking for volunteers for non-speaking parts for the third degree. Let an officer know if you are interested. Also let us know if you are interested in the Master Mason dinner that is being held at 4:30PM the afternoon of the degree at the North Coast in Wayzata.

GET OUT YOUR CLUBS!

The 2nd Annual Wayzata Lodge #205 Invitational Golf Tournament is scheduled for Wednesday, August 12, 2009 with a 1:00 pm shotgun start at Baker National Golf Course, 2935 Parkview Drive, Medina, MN 55340. This event promises to be a wonderful opportunity to enjoy a round of golf, fun, and fellowship. This event is open to friends and other lodges.

Brother Tim Jirak is working hard on coordinating this event. Brother Tim can be reached at (612) 701-7743.

An Entered Apprentice Degree was held on March 18 for Larry Erickson, Bud Scanlon, and Curt Quast. A special congratulations goes out to Brother Andrew Brennen who did a wonderful job in the east. Also, a special thanks to Mark Bullis for providing the meal afterwards.

Mentorship Program Coming to Wayzata Lodge

**Mentor: noun**
- a wise and trusted counselor or teacher.
- an influential senior sponsor or supporter.

**Synonyms:**
1. adviser, master, guide, preceptor.

The strength of a lodge depends on participation of its members. When a new brother is raised, the event is often coupled with incredible feelings of excitement and energy towards the craft and the lodge.

A strong mentorship program serves to further strengthen the bonds when the new brothers’ excitement is at one of its highest levels.

At Wayzata Lodge, we are developing and implementing a new mentorship program, it will be communicated over the summer months and implemented with the new fall class.

Greetings Brethren,

I trust everyone is having a nice spring, it seems a long time coming. With the flower sale and french toast breakfast, as well as the new canidate work going on its been a very eventful month. The master and his line officers have the lodge moving forward full speed ahead, it’s been a real nice change and more of the members are becoming involved.

The month of May will also be quite busy, with degree work, stated meeting, and preparation for a visit from the Grand Master.

Everyone please go out of your way to welcome and accommodate all the new faces in lodge.

Check your calendars, there’s lots of things coming up in the month of May and June. Some great opportunities to get involved. Check the web site. Marv has done a very good job on keeping this up-to-date.

Dues, please take time to bring this up-to-date, four months into the year and there are still a large number of members not paid.

Remember, it’s your lodge, it is what you make of it!

Good luck with the fishing opener.
